

Data Driven Approaches to Crime and Traffic Safety Technical Support and Training Program

“Crime and Traffic Safety Analysis: Techniques to Support DDACTS” Level I (Basic) Analyst: 2-day Training Course

The International Association of Directors of Law Enforcement Standards and Training (IADLEST), in conjunction with Texas Department of Transportation, is proud to announce a free 2-day *Crime and Traffic Safety Analysis: Techniques to Support DDACTS* course designed to develop the skills of someone newly assigned to this function.

This free training course is a segment in a multi-part *Building Analytical Capacity* training series that builds on various other trainings including the below 13-part online series. The 1-hour training segments listed below can be taken in series or as standalone courses prior to the in-person training. The training series can be accessed at:

Data Analysis Using Microsoft Access series:

[Part One: Data Driven Strategy Basics](#)

[Part Two: DDACTS in Action](#)

[Part Three: Connectivity Why Do I Need It?](#)

[Part Four: Helpful Queries, Reports, Macros](#)

[Part Five: Creating Master Tables](#)

[Part Six: Data Quality and Cleaning Tips](#)

[Part Seven: Making Analytics Easier with Expressions](#)

[Part Eight: How to Identify Top Locations, Offenders](#)

[Part Nine: How to Create Rocking Reports and Automation](#)

[Part Ten: Z-Score and Statistical Significance Made Easy](#)

GIS: Mapping and Hot Spot Identification Series:

[Part Eleven: Introduction to ArcGIS Pro for DDACTS](#)

[Part Twelve: Dots on the Map: Plotting and Querying Crash and Crime Data from a Variety of Data Sources](#)

[Part Thirteen: Hot Spot Identification and Analysis](#)

Instructor: The training is being conducted by Debra Piehl, Senior Analyst for IADLEST and former Analytical Supervisor at New York Police Department.

Date and Time:

Monday, December 5, 2022, and Tuesday, December 6, 2022

8:00 am until 4pm

Location:

North Central Texas Council of Governments Regional Police Academy

624 Six Flags Dr. STE 125

Arlington, TX 76011

In an effort to assist agencies to the greatest extent possible with deploying a data driven policing strategy to reduce crime and crashes in their community, IADLEST will **provide up to two-days lodging and per diem for attendees** traveling in excess of 50 miles. Your agency is welcome to take full advantage of this training opportunity by sending more than member, providing seating is available.

Please feel free to contact me if you, or another member of your agency would like to attend this training, and/or if you should any questions.

Sincerely,

Daniel A. Howard

Commander (ret.) Daniel A. Howard, M.A.

Project Coordinator, Texas- DDACTS and Technical Support and Training Program
